Photographers Under Public Attack

"The internet is home to a fast-growing, worldwide community of photographers who feel their hobby is being gradually outlawed by an increasingly paranoid society. But the photographers from America, Canada, Australia and beyond all seem to agree on one thing: nowhere is the situation worse than in Britain."...

Boise Art Museum Announces Reflections on Conflict An-My Le: Small Wars

BOISE.- Boise Art Museum (BAM) announces a new exhibition featuring two photographic series by artist An-My Lê, on display November 29, 2008, through March 1, 2009. The exhibition examines two modern military conflicts: the war in Vietnam and the current war in Iraq and Afghanistan. Her series Small Wars (1999-2002) depicts men who spend weekends in the forests of Virginia,
